Be a PTA Member, It's not too late to join

We rely on Pemberton families to join as PTA members to help us support the students and teachers. In recent years we have been able to keep our costs low but last year we were short in covering our related costs and so have had to increase the membership price. We are offering a discount for a combined membership and we strive to have all families participate in Membership. Prices are \$8 for a single membership and \$14 for a combined which could be 2 parents or a parent and grandparent. There are benefits to you to having a membership, such as discounts at local and national retailers. Membership forms are still available at school.

Yearbook Time is Coming!

It's hard to believe that it is time to think about Yearbook already! Order forms to place an ad in the yearbook have been sent home and are due this week. This year you will be able to order your yearbook at a discounted price when paying for an ad. An Ad is simply a page, or portion of a page for you to purchase to enter a picture and a message to your child.

If you have taken pictures this year that you would like to have considered for the year book, please email them to pembertonyb@gmail.com

Consider serving on the Pemberton PTA Board next year!

There will be a number of open Board positions as well as project chairman positions for the upcoming year. Please look for more information in the next few weeks and feel free to approach any current Board member with questions. A great way to test the water is to volunteer at an upcoming project!

Box Tops Make a Difference!

We are well on our way to our goal for the year! So far we have received reimbursement for \$1406 for Box Tops which is almost half of what we earned last year. Keep clipping those labels. Check your receipts for Bonus Box Tops that are often printed at check-out.

We collect Box Tops, Tyson A+ labels and the Labels for Education, so clip and save them
